Attachments: MKC MW-1, MW-4, MW-4A, EW-1.pdf

Peter

Attached are the boring logs and well construction records for MW-1, MW-4, MW-4A, and EW-1. This comprises the complete set of well construction records for the site, along with associated boring logs. This completes the submittal of information you requested in Agenda item 3c.

We're looking forward to hearing back from you.

Thanks
